

The Giving Olympics FAQs

AUCTION PROGRAM: <https://givebutter.com/c/FASD>

6:30PM - DOORS OPEN at Skylight Denver - 833 Santa Fe Dr., Denver CO 80204.

What else is new this year? We have a fun photo booth and you'll toss rings to win that wine at our wine pull. We're also adding a Heads Tails game and we have four great live auction items.

7:00PM - Welcome

8:00PM(ish) - Heads and Tails Game followed by our Live Auction

9:00PM - Silent Auction Item Close Out - go get those winnings!!

9:30PM - Gala Concludes

FAQs:

Do I have to use the GiveButter website?

Yep! This is how you bid, participate in our games, and pay for any item you win.

What should I wear?

The Gala's dress code is however you feel comfortable, but we're encouraging Gold, Silver or Bronze to support our Olympic theme.

What's a Wine Pull?

Thanks to some amazing donors, we have collected a variety of wines ranging in price from \$10 to \$40+. This year, we're setting up a ring toss! Bottles will be set up on the floor and you will throw rings at the bottles. You win whatever bottle you hook! No matter what, you walk away with a bottle of wine (or heck, get a few!).

We only have limited quantities, so get your wine on the website now!

To play, show proof of purchase to our volunteer and start tossing!

What's the Heads & Tails Game?

You can pay to play on the website now and you'll participate at the auction!

Now for the game ... All participants will gather in front of the MC and either place their hands on their head (Heads) or their bottom (Tails). We'll flip a coin and, say it falls on heads; all participants with their hands on their heads stay in front of the MC to continue playing and those with their hands on their bottoms move to the side.

The game continues until we have one remaining participant! The winner will get a Spring Party Pack, which consists of 12 Beers, 6 Flying Embers Seltzers and 6 Flying Embers Hard Kombucha, and, of course, bragging rights.

What are Buy-A-Share Parties?

Several FASD families generously volunteered to host various parties. Some items are priced as an individual "ticket" and others are for your entire family. Buy-A-Share items are for immediate purchase, so you won't need to place a bid. You will purchase your "ticket" to attend right away.

What is the deal with the Class Experiences?

Many of our teachers were really excited to create fun experiences for our kids! Our goal is to raise \$250 per experience. But, not to worry, all kids will participate regardless of whether someone paid for the experience on their behalf or whether the class reaches the \$250 goal.

How do I bid on Silent Auction items?

You guessed it: <https://givebutter.com/c/FASD>. Register now and get bidding! Just click on that hot item and place your bid.

What about the Live Auction items?

Our live auction will start around 8:00PM.

If you win a live auction item, a member of our crew will collect your information and payment at that time. We will then be in touch to schedule your fantastic experience.

When do I get my Silent Auction winnings?

The Silent Auction will close at 9pm. Payment is through GiveButter.

For tangible items, you will meet a volunteer at the table where your item is located. You will show your receipt, sign our form and collect your item.

For intangible items (i.e., experiences/vacation home), you will meet our volunteer at the check out table, we will confirm your contact information and a member of our crew will be in touch to schedule it.

How will my kid's class get credit for any item I win?

When you meet with our volunteer to pick up your item or leave your contact, you may designate which class receives credit. You can split the amount among multiple classes.

Class experiences will automatically go towards that particular class. And experience for multiple grades (e.g., 4th & 5th Grade Soccer Game Students v Teachers) will be split between those grades. So, no need to sign anything for those winning! But, if you win one of those solo staff experience (like Principal for a Day or Lunch with Verna), you will need to check out with our volunteer to designate which class receives credit.

How do I pay?

First, register at <https://givebutter.com/c/FASD> (had to include the site one more time!). You can enter your payment information at that time for easy access to purchase Buy It Now Items (like the Wine Pull, Heads Tails Game, Class Experiences and Buy-A-Shares) and a quick check out if you win of those awesome auction items.

If you win a silent auction item, you will be notified at the close of the silent auction. At that time, you will be able to use your saved payment method to pay for the item(s). You'll then show this to our crew and grab your goods.

What is parking like?

There is plenty of parking on site. If you plan to drink, go for the Uber!

SKYLIGHT

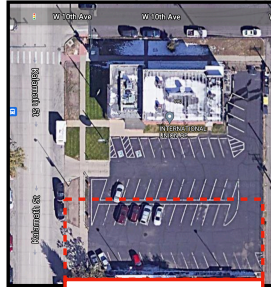

Parking Map

★ SKYLIGHT
833 Santa Fe Dr
